Level Up Your Photoshop: Session 1

Thurs, May 6, 4:00-7:00pm
Ages: Grades 9-12
Hosted by: YMCA Lighthouse Project
Learn the basic functions of Photoshop (layers, layer masks and image selection tools) and create a digital collage that represents who you are!

World Migratory Bird Day at the Frick Environmental Center

Sat, May 8, 9:00am-12:00pm
Ages: All ages
Hosted by: Pittsburgh Parks Conservancy, Carnegie Museum of Natural History, Allegheny Goatscape, Western Pennsylvania Conservancy
Celebrate the connections that birds have with our planet through hikes, bird banding, and fun. Join us virtually or in-person.

Science of Sound

Sat, May 8, 9:00am-4:00pm
Ages: Pre-K-Grade 2
Hosted by: C.C. Mellor Memorial Library, Allegheny County Library Association
Learn all about sound waves, telephone lines and musical instruments! Take home a bag of supplies and activities to conduct your own sound experiments at home, including a book on the science of sound.

Exploring Art and Nature with the Frick

Sat, May 8, 10:00-11:30am
Ages: All ages
Hosted by: The Frick Pittsburgh
Learn how art and nature come together to brighten the world around us, investigating the permanence and vanishing acts of pigment.

Black Monarch

Sat, May 8, 12:00-3:00pm
Ages: Grades 3-8
Hosted by: Camocustomz and Homewood Children's Village

Youth are invited to experience what it's like to be a fine artist! Learn how to create a fine piece of art using a paint by number format and hybrid instruction. Create a piece of fine art using a paint by number/by instructor format.

Finding the Sound in You

Sat, May 8, 2:00-3:00pm
Ages: birth to age 8
Hosted by: Homewood Early Learning Hub and Family Center
Make music, dance, build instruments, and join us in a musical scavenger hunt with everyday items in the home.

Ask a Game Designer

May 9 and 16, 2:00-3:00pm
Ages: Grades K-5
Hosted by: Ludoliminal
In this playful deep dive, learn with a professional game designer all about board games, video games, game-based learning, and game design.

Teen Writer! Fantastic Fiction

Mon, May 10, 4:00-4:30pm
Age: Grades 6-12
Hosted by: Luminari, inc.
Discover how to use imagery to infuse fiction with dazzling details and uncover the secret to hooking the reader from the very first page starting with the five senses.

Level Up Your Photoshop: Session 2

Tues, May 11, 4:00-7:00pm
Ages: Grades 9-12
Hosted by: YMCA Lighthouse Project
Learn how to make a simple gif animation in Photoshop and then create a power statement that you can add to a digital animation you can share online.

Ruach Bicycle Club at The Wheel Mill

May 11, 12, 13, 4:30-6:30pm
Ages: Grades 3-8
Hosted by: The Wheel Mill
Come get a preview of Summer Bike Camp! Kids will attend STEM class with Ruach Bicycle Club and ride around the park with their peers.

Homewood Children's Village Presents: HCV Cooks

Wed, May 12, 6:00-7:30pm
Ages: All ages
Hosted by: Homewood Children's Village
Join us for a live guided cooking class that the whole family can participate in and enjoy! Ingredients and cooking supplies will be provided for you.

Level Up Your Photoshop: Session 3

Thurs, May 13, 4:00-7:00pm
Ages: Grades 9-12
Hosted by: YMCA Lighthouse Project
My Name, My Story: Create an animated image of your name similar to the animated title card of the Marvel movies! Using layer mask animation in Photoshop, integrate images and selfies to tell your story.

The Alloy School: OPEN HOUSE

Sat, May 15, 9:00-12:30am
Ages: All ages
Hosted by: Kelly Strayhorn Theater, PearlArts
Children and families can enjoy a diverse range of dance styles including Ballet, Vogue, Latin Styles, and West African dance taught by professional dancers and artists.

Paper Circuits

Sat, May 15, 9:00am-4:00pm
Ages: Grades 6-12
Hosted by: C.C. Mellor Memorial Library, Allegheny County Library Association
Tinker, decorate, and design with LED lights, conductive tape, and paper, creating your own paper circuit project with the grab & go kit of supplies.

From Seed to Sprout: Botanical Observation and Documentation

Sat, May 15, 10:00-11:00am
Ages: Grades K-5
Hosted by: Artists in Schools & Communities at Pittsburgh Center for Arts and Media
Join artist/papermaker/printmaker in creating your own tiny seed greenhouse (that you can wear!) and a tiny book where you can document your seed as it grows and sprouts.

Rhythmic Movement Through Dance Fitness

Sat, May 15, 12:00-1:00pm
Ages: All ages
Hosted by: Creative Balance 4 Empowering People
An engaging 20 minute series of Zumba, African Dance, and Hip Hop movements. Learn how sound and rhythmic movement stimulate your brain.

Sew Fun Pouch Making Class

Sat, May 15, 3:00-4:00pm
Age: Grades 9-12
Hosted by: Knotzland
Learn how to make your very own sustainably made supply pouch! Registration includes all materials (sewing kit, fabric) and a live virtual tutorial with Wendy of Knotzland.

Community Blooms

Sun, May 16, 1:00-3:00pm
Age: All ages
Hosted by: Union Project
Build ceramic flowers and critters by hand, then spread messages of hope and gratitude that will bloom all summer long.

Events listed on this flyer are current as of March 30, 2021.
