Badgerland's Remake Learning Days festival to Host 75+ Events as Part of Remake Learning Days Across America, the Nation's Biggest Family-Friendly Festival of Learning

Wisconsin's interactive festival will take place April 22- 30, 2022, and is designed for kids of all ages to develop their sense of creativity, perseverance and curiosity

MADISON, APRIL 7, 2021 – As kids and families look for ways to reconnect with their communities and tap into meaningful in-person activities, Remake Learning Days Across America returns this spring to Wisconsin and 16 other regions across the country with over 1,000 events designed to inspire curiosity, wonder and joyful learning together.

Wisconsin's own festival, [Remake Learning Days: Badgerland](#), kicks off on Earth Day runs April 22-30, 2022. This year's nearly 80 events are designed by dozens of local nonprofit organizations – schools, libraries, museums, community centers and more -- representing Wisconsin's southcentral communities from the Wisconsin Dells area to Stateline.

Badgerland's festival of events includes an array of activities in the Arts, Science, Maker Ed, Outdoor Learning, Youth Voice and Technology, as well as special programs for educators, caregivers and parents. Highlights encourage learners to:

- Boogie down for [Friday Fun Night at the Wonderground](#) - Madison Children's Museum's new exhibit & official Festival Kick Off features celebrity guests, music, arts and more!
- Make a splash as we go on a [Virtual Shark Adventure](#) by livestream with American Family's Dream Bank.
- Join [Nosotros Leemos y Jugamos](#) at Meadowridge Branch of the Madison Public Library features books, songs and play *en español*.
- Tinker in tech and coding with [Coding for Kids](#) at the Beloit Public Library
- Let little ones lead the learning at any of the five [Born Learning Trails](#) offered by United Way Blackhawk Region!

The activities include virtual cave and museum tours, take-and-make kits, music-making and more.

"We are excited to celebrate the rich diversity of learning opportunities in our communities," says Festival Coordinator Kathe Crowley Conn. "We hope the festival will be a time to come together, introduce folks to new activities and resources in our region, and ignite a fresh creative spark for learning together."

The majority of events are free or low cost and are searchable by age, topic and location via the Festival website. You can find a complete list of events at: www.remakelearningdays.org/Badgerland
