# WELCOME

Explore interactive learning events for families, caregivers and youth of all ages! Build robots, invent with 3D printer, experiment like scientists, explore new paths, create your own art or music and more. Each listing provides the following information:

**Date and Time**

**Geographic Location**

**Learning Theme**

**Age Level (from pre-K through young adult)**

**Career Ready PA (earn a digital badge!)**

**Professional Development**

**Cost (the majority of events are free)**

To explore events and learn more, visit **RemakeLearningDays.org** where you can search events by these themes.

## CAREER READY PA BACKPACK CHALLENGE

Career Ready PA is excited to provide a seamless opportunity for students to obtain artifacts for their career portfolio by participating in Remake Learning Days events tagged with a “backpack.”

The Remake Learning Days festival takes place across Pennsylvania between May 2-22, 2024. A variety of organizations showcase host free events for all age groups and provide hands-on learning opportunities. Participating organizations include libraries, schools, tech centers, museums, play spaces, community centers and more.

Did you know that 91% of STEM jobs in Pennsylvania will require some form of a postsecondary credential? Participating in hands-on learning is one way to learn STEM and employability skills. The STEM career tree has many branches, and you may explore one at the Remake Learning Days festival.

Did you ever think that creating an invention, learning to code, or planting a garden builds employability skills? Activities like learning how to fly a drone, marketing a product, and helping your community is a foundation to your future career pathway!

Events listed under Career Ready PA qualify for the Career Ready PA Backpack Challenge. Students who participate will earn a Career Ready PA Backpack Challenge badge. Career Ready PA will also award a banner to schools with up to 100 artifacts.

When students finish the event, they will need to complete the artifact survey on the Career Ready PA Backpack Challenge page. This survey will be shared with your school so you can earn your badge and get career portfolio credit for the Backpack Challenge!

**Look for RLD events with this backpack symbol to earn a career readiness badge as part of the Career Ready PA Backpack Challenge.** To participate, follow the steps at:  
<https://remakelearningdays.org/pa-career-ready>

# LEARNING THEMES

To help navigate all the events, below are helpful learning themes.

Please note that some events may feature a primary theme and several secondary themes.

**What is STEAM?** STEAM stands for science, technology, engineering, arts, and mathematics. Learning these subjects together (rather than independently) helps students encourages creativity, critical thinking and collaboration.

**ARTS** is hands-on learning and expression through all kinds of art: theatre, dance, visual art, music, photography, and more!

**MAKER** "Making" is about taking things apart and putting it back together. Tinker, build, and create with all kinds of materials. Try a 3D printer, take apart a toy to see what's inside and then rebuild it, or create a marshmallow tower!

**OUTDOOR LEARNING** is about experiencing and learning about the natural world. How can we think about the environment, sustainability, and more by exploring our very own backyards?

**SCIENCE** is all about experimentation! Kids and adults can explore chemistry, biology, geography and more. How does our world work? What can we test and explore in the world around us?

**TECHNOLOGY** gives kids the chance to explore their digital world. Want to try coding? Build robots? Learn circuitry? Look for technology events that help you discover new things.

**YOUTH VOICE** is about youth leadership and amplifying youth voice. Youth have the ability to express themselves in so many ways such as: through audio, video, art, music, and more.

## PROFESSIONAL DEVELOPMENT

For traditional and non-traditional educators, various organizations offer credited and non-credited professional development featuring STEAM-inspired learning.

# ACROSS THE WORLD

Remake Learning Days is taking root across 16 regions in 2024, including international regions in United Kingdom, Uruguay and New Zealand!

The growth of Remake Learning Days is in response to a desire for more real-world learning experiences that prepare youth from all backgrounds and all neighborhoods for our rapidly changing world.

From April through May, there will be approximately 2,000+ events held in spaces such as parks, libraries, STEM labs, maker-spaces, museums, tech companies, laundromats and more. Families can participate in learning everywhere! We hope to create a genuine movement of educators, parents, and students and ignite a global conversation around the future of learning and increase the demand for engaging and equitable hands-on experiences across all the spaces kids learn.

## VIRTUAL

### Family Activity: My Values and Tech!

Thu, May 2, 3:00-3:30 pm

Ages: Age 5-10

Hosted by: Common Sense Education

Join us for an interactive chat on fostering your family's digital well-being, with expert insights and immediate tools to cultivate a healthier tech-life balance.

<https://remakelearningdays.org/event/southwesternpa/family-activity-my-values-and-tech/>

### Antarctic Adventures: A Live Streamed Podcast with Everything Antarctica

Fri, May 3, 6:00-7:00 pm

Ages: All Ages

Hosted by: Everything Antarctica

Embark on an exhilarating journey into the icy realm of Antarctica with a live video podcast of "Everything Antarctica", presented in partnership with Remake Learning Days

<https://remakelearningdays.org/event/southwesternpa/antarctic-adventures-a-live-streamed-podcast-with-everything-antarctica/>

### Out-of-School Opportunities across PA with the Penn State K-12 Engagement Network

Thu, May 2, 5:30-6:15 pm

Ages: Age 8-18|Adult

Hosted by: Pennsylvania State University Outreach K-12 Engagement Network

Discover a world of learning beyond the classroom with Penn State's K-12 Engagement Network, offering a plethora of in-person and virtual programs across 24 campuses for youth of all ages!

<https://remakelearningdays.org/event/southwesternpa/out-of-school-opportunities-across-pa-with-the-penn-state-k-12-engagement-network/>

REMAKELEARNINGDAYS.ORG/NORTHCENTRALPA

### Discourse Derby

Thu, May 2, 6:00-8:00 pm

Ages: All Ages

Hosted by: Upper St Clair High School

City: Upper St Clair

Test out your public speaking skills through a rotation of short games and activities that introduce the different styles of speaking in Speech and Debate!

<https://remakelearningdays.org/event/southwesternpa/discourse-derby/>

# VIRTUAL EVENTS

Key to learning theme icons:

## Explore a Pennsylvania Beef Farm

Thu, May 16, 9:00-10:00 am

Ages: 8-18

Hosted by: Pennsylvania Friends of Agriculture Foundation

*Embark on a virtual adventure to Tommy Nagle's farm, where technology meets tradition in the heart of Cambria County, and discover the bustling life of beef cattle and crops!*

<https://remakelearningdays.org/event/southwesternpa/explore-a-pennsylvania-beef-farm/>

## PAsmart Aquaponics Showcase

Wed, May 15, 12:30-2:30 pm

Ages: Age 8-18|Adult

Hosted by: Intermediate Unit 1 *Celebrate the thriving aquaponics projects fueled by the PAsmart Grant across 8 intermediate units and 24 school districts!*

<https://remakelearningdays.org/event/southwesternpa/pasmart-aquaponics-showcase/>

## World of Work with PBS KIDS

Fri, May 10, 12:30-1:00 pm

Ages: Age 5-7

Hosted by: WPSU

*Explore exciting careers, celebrate unique interests, and play to learn with PBS KIDS in this engaging virtual event.*

<https://remakelearningdays.org/event/southwesternpa/world-of-work-with-pbs-kids/>

## Apprenticeships: Alternative Career Pathway

Mon, May 13, 6:00-7:30 pm

Ages: Age 14-18|Adult

Hosted by: Apprenticeship and Training Office

*Come learn more how apprenticeships are a learn-while-you-earn approach to career development through which individuals can obtain paid work experience, classroom instruction, and a portable, nationally-recognized credential.*

<https://remakelearningdays.org/event/southwesternpa/apprenticeships-alternative-career-pathway-4/>

# VIRTUAL EVENTS

## PROFESSIONAL DEVELOPMENT

### Navigating The New Frontier: Effective Prompt Engineering in Generative AI for Teachers

Sat, April 20, 9:00 am-10:30 am

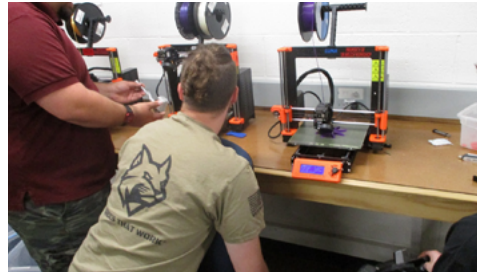

Ages: Adult

Hosted by: PennWest University

City: Edinboro

*Dive into the future of education and master crafting prompts for Generative AI*

<https://remakelearningdays.org/event/southwesternpa/navigating-the-new-frontier-effective-prompt-engineering-in-generative-ai-for-teachers/>

### Selecting and Maintaining Makerspace Equipment

May 15, 2024, 12:00pm-3:00pm

Ages: For Educators

Hosted by: Pennsylvania College of Technology

City: Williamsport

*Spend time with a makerspace professional learning how to choose, run, maintain, and troubleshoot common makerspace equipment.*

<https://remakelearningdays.org/event/pa-north-central/selecting-and-maintaining-makerspace-equipment/>

### Adapting Experiences

Wed, April 24, 9:00 am-2:00 pm

Ages: Adult

Hosted by: Appalachia IU8

City: Phillipsburg

*Join us as we celebrate how technology can enhance our lives through adapted experiences! Learn about switch access, toy adaptation, and 3D printing!*
