Sat, May 9, 2pm-3:30pm

Hosted by: L.L.Bean Outdoor Discovery Programs

For Ages 8-18

City: Allison Park

Our Archery Discovery Course is a fun and safe way to try this exciting sport. It's led by friendly instructors who will show you the basic skills and techniques you need to accurately shoot a bow.

<https://remakelearningdays.org/event/southwesternpa/l-l-bean-archery-discovery-course-2/>

Programming and Pastries

Mon, May 11, 9am-10:30am

Hosted by: South Fayette Elementary/South Fayette School District

For Grades 2-5

City: McDonald

Students and their caregivers are invited to enjoy a delicious morning pastry while diving into the exciting world of coding.

<https://remakelearningdays.org/event/southwesternpa/programming-and-pastries/>

DashStrom's Amazing Dash

Mon, May 11, 3:30pm-4:30pm
Tue, May 12, 3:30pm-4:30pm
Wed, May 13, 3:30pm-4:30pm
Thu, May 14, 3:30pm-4:30pm
Fri, May 15, 3:30pm-4:30pm

Hosted by: DashStrom

For All Ages
City: Pittsburgh

Amazing Dash is a free, hands-on afterschool challenge where children and caregivers team up to complete fun movement and problem-solving activities, which build confidence, resilience, and connection while school districts participate in friendly competition.

<https://remakelearningdays.org/event/southwesternpa/dashstroms-amazing-dash/>

Keystone Oaks Kindergarten Social

Mon, May 11, 6pm-7pm
Hosted by: Keystone Oaks
For Ages 5-7
City: Pittsburgh

Future Keystone Oaks kindergarten students and families are invited to a special event designed just for them! Through storytelling, visuals, and creative performances, younger students will get a fun and reassuring glimpse into their exciting year ahead.

<https://remakelearningdays.org/event/southwesternpa/keystone-oaks-social/>

Fizz, Fun, and Formulas

Mon, May 11, 6pm-7:30pm
Hosted by: Girl Scouts Western Pennsylvania
For Ages 5-18
City: Wexford

Dive into the science behind self-care while creating spa-worthy treats to take home. From bubbling bath fizzies to custom nail polish, discover how chemistry, creativity, and engineering come together in everyday fun!

<https://remakelearningdays.org/event/southwesternpa/fizz-fun-and-formulas/>

Magical Miniature Worlds

Mon, May 11, 6:30pm-7:30pm
Hosted by: Whitehall Public Library
For Ages 5-13

City: Pittsburgh

Step into a world of whimsy and wonder.

Participants explore ecosystems and plant life cycles as they design and build their own terrarium.

<https://remakelearningdays.org/event/southwesternpa/magical-miniature-worlds/>

Hydroponics: Food Accessibility for All

Tue, May 12, 1pm-3pm
Hosted by: Fluxspace
For Adults Only, Professional Development
City: Pittsburgh

Drop by Fluxspace to learn how hydroponics is changing the way we grow and access produce!

<https://remakelearningdays.org/event/southwesternpa/hydroponics-food-accessibility-for-all/>

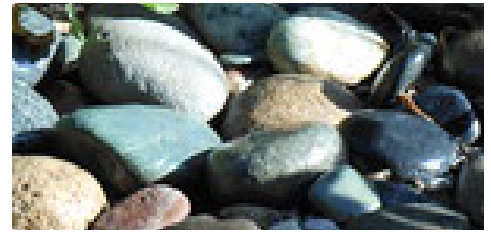

Teen Choice: Labs Kit Playground – CLP Squirrel Hill

Tue, May 12, 3:30pm-4:30pm
Hosted by: Carnegie Library of Pittsburgh
For Ages 11-18
City: Pittsburgh

Join us for a special Teen Choice to explore all of our Labs Kits, where there is something for everyone - from digital art and photography, to music, robotics, and more!

<https://remakelearningdays.org/event/southwesternpa/teen-choice-labs-kit-playground-clp-squirrel-hill/>

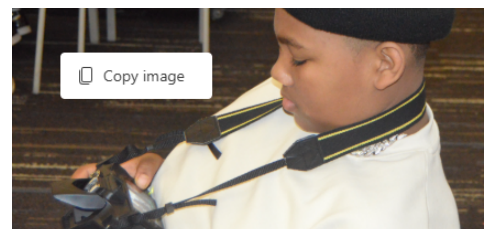

Super Science: Geology – CLP Beechview

Tue, May 12, 4:30pm-5:30pm
Hosted by: Carnegie Library of Pittsburgh
For Grades 2-5

City: Pittsburgh

Students are invited to explore the study of the earth through hands-on discovery and interactive learning.

<https://remakelearningdays.org/event/southwesternpa/super-science-geology-clp-beechview/>

Teen Choice: DSLR Camera Kit – CLP Beechview

Tue, May 12, 4:30pm-5:30pm
Hosted by: Carnegie Library of Pittsburgh
For Ages 11-18
City: Pittsburgh

Lights, camera, create - Teens are invited to explore creative arts and technology through our DSLR Camera Kit!

<https://remakelearningdays.org/event/southwesternpa/teen-choice-dslr-camera-kit-clp-beechview/>

A Shift @ The PHactory

Tue, May 12, 5pm-7pm
Hosted by: Penn Hills School District
For Ages 2-10
City: Penn Hills Township

Come work a shift at the PHactory - a hands-on family maker night where Penn Hills students and families explore creativity, engineering, and problem-solving together through fun, interactive STEM activities!

<https://remakelearningdays.org/event/southwesternpa/a-shift-the-phactory/>

Hosack's Green Guardians: A STEAM Showcase of Sustainability

Tue, May 12, 6pm-7pm

Hosted by: North Allegheny School District
For All Ages

City: Allison Park

Join us at Hosack Elementary for an inspiring showcase of student-led environmental solutions and learn how our students are turning ideas into action and building a better world!

<https://remakelearningdays.org/event/southwesternpa/hosacks-green-guardians-a-steam-showcase-of-sustainability/>

Remake Recess at Ingomar Elementary

Wed, May 13, 10:20am-11:50am

Hosted by: North Allegheny School District
For Ingomar Elementary Grades 3-5

City: Pittsburgh

Families and caregivers of students are invited to Remake Recess - and reimagine traditional recess as a joyful, student-led learning experience where creativity, collaboration, and innovation shine!

<https://remakelearningdays.org/event/southwesternpa/remake-recess-at-ingomar-elementary/>

Partnerships to Create Immersive Reality Experiences

Wed, May 13, 12pm-2pm

Wed, May 13, 5pm-6:30pm

Hosted by: East Allegheny Jr/Sr High School
For Ages 5-18

City: North Versailles

Explore the partnership between XYCOM, Chatham University, Braddock's Battlefield Museum, and East Allegheny Jr/Sr High School to create authentic immersive reality experiences for our students!

<https://remakelearningdays.org/event/southwesternpa/partnerships-to-create-immersive-reality-experiences/>

Integrating AI into Teaching and Learning Without Fear or Favor for Academic Leaders

Wed, May 13, 12pm-2:30pm

Hosted by: Yourclassroom.ai

For Adults Only, Professional Development

City: Pittsburgh

This educator workshop is designed to help school leaders make decisions about integrating AI into teaching and learning with clarity by focusing on what matters most: student learning, teacher effectiveness, fairness, and trust.

<https://remakelearningdays.org/event/southwesternpa/integrating-ai-into-teaching-and-learning-without-fear-or-favor-for-academic-leaders/>

Engineering the Future: LEGO League Robotics

Wed, May 13, 1pm-2pm

Hosted by: Duquesne City School District

For Ages 11-13

City: Duquesne

Rebuild, remix, and reimagine robotics through hands-on LEGO League challenges by exploring coding, teamwork, and problem-solving in a fun, future-focused experience!

<https://remakelearningdays.org/event/southwesternpa/engineering-the-future-lego-league-robotics/>

Teen Choice: Digital Art Kit – CLP Downtown

Wed, May 13, 3:30pm-4:30pm

Hosted by: Carnegie Library of Pittsburgh

For Ages 11-18

City: Pittsburgh

Imagine, create, animate - Teens are invited to explore creative arts and technology through our Digital Arts Kit!

<https://remakelearningdays.org/event/southwesternpa/teen-choice-digital-art-kit-clp-downtown/>

Bee-lieve in STEAM!

Wed, May 13, 4pm-6pm

Hosted by: Acmetonia Elementary School

For All Ages

City: Cheswick

A fun, family-friendly night exploring science, technology, engineering, art and math through hands-on activities.

<https://remakelearningdays.org/event/southwesternpa/bee-lieve-in-steam/>

Super Science: Bugs – CLP Squirrel Hill

Wed, May 13, 4:30pm-5:30pm

Hosted by: Carnegie Library of Pittsburgh

For Grades K-5

City: Pittsburgh

Get curious! At Super Science, students are invited to explore the fascinating world of bugs through hands-on discovery and interactive learning.

<https://remakelearningdays.org/event/southwesternpa/super-science-bugs/>

Middle School STEM Extravaganza

Wed, May 13, 5pm-6:30pm

Hosted by: Brentwood Borough School District

For Ages 11-13

City: Pittsburgh

From STEM Olympics challenges to student-designed projects, see how Brentwood students turn curiosity into innovation.

<https://remakelearningdays.org/event/southwesternpa/middle-school-stem-extravaganza/>

Family STEAM Night

Wed, May 13, 5pm-7pm

Hosted by: Northgate School District

For All Ages

City: Pittsburgh

This unique event is led by our Parents as Allies in Making partnership, bringing together teachers, Parent Maker Coaches, and our Design and Build Club students to guide families through hands-on creative experiences.

<https://remakelearningdays.org/event/southwesternpa/family-steam-night/>

Avonworth High School

Spring Spectacular

Wed, May 13, 5:30pm-7:30pm

Hosted by: Avonworth High School

For All Ages

City: Pittsburgh

Join us for an evening dedicated to our multi-talented high school students for a showcase designed to honor the full scope of student success!

<https://remakelearningdays.org/event/southwesternpa/avonworth-high-school-spring-spectacular/>

Make and Take: Laser Cutting

Custom Keychains

Wed, May 13, 6pm-8pm

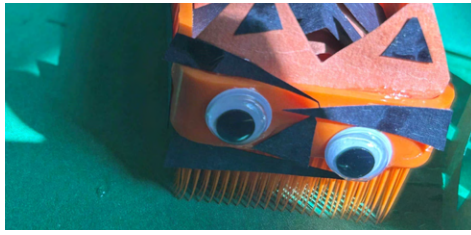

Hosted by: PrototypePGH

For Ages 8-18

City: Pittsburgh

Ready to learn the basics of laser engraving? Join us as we provide a practical demonstration of how to operate our XTool Laser Cutter, and then design and produce a custom keychain to take home!

<https://remakelearningdays.org/event/southwesternpa/make-and-take-laser-cutting-custom-keychains/>

Brushbots: Design, Test, Move!

Thu, May 14, 3pm-6pm

Hosted by: Carnegie Library of Homestead

For Ages 5-10

City: Munhall

Get ready to experiment, problem-solve, and have fun turning simple materials into a moving mini-robot you designed yourself!

<https://remakelearningdays.org/event/southwesternpa/brushbots/>

MUSA's PKC Bright Bloom Garden Celebration

Thu, May 14, 3pm-6pm

Hosted by: MUSA

For All Ages

City: Homestead

Join us for an outdoor event where STEAM activities nurture young learners as thinkers, builders, and problem solvers while strengthening community partnerships and family engagement!

Family-Friendly Summary: Remake Learning is in full bloom.

<https://remakelearningdays.org/event/southwesternpa/musas-pkc-bright-bloom-garden-celebration/>

Teen Choice: Digital Art Kit – CLP East Liberty

Thu, May 14, 3:30pm-4:30pm

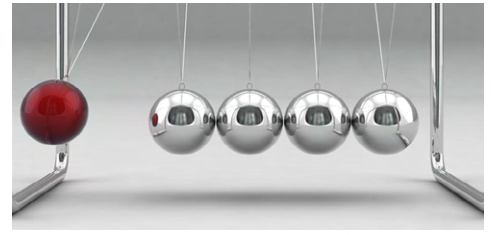

Hosted by: Carnegie Library of Pittsburgh

For Ages 11-18

City: Pittsburgh

Imagine, create, animate - Teens are invited to explore creative arts and technology through our Digital Arts Kit!

<https://remakelearningdays.org/event/southwesternpa/teen-choice-digital-art-kit-clp-east-liberty/>

Super Science: Physics

Thu, May 14, 4pm-5pm

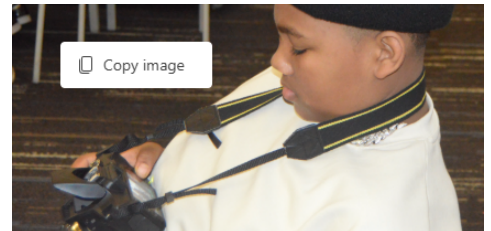

Hosted by: Carnegie Library of Pittsburgh

For Grades K-5

City: Pittsburgh

This interactive program invites students to explore the fascinating world of physics through stories, experiments, and hands-on discovery.

<https://remakelearningdays.org/event/southwesternpa/super-science-physics/>

Teen Choice: DSLR Camera Kit – CLP Hill District

Thu, May 14, 4pm-5pm

Hosted by: Carnegie Library of Pittsburgh

For Ages 11-18

City: Pittsburgh

Lights, camera, create - Teens are invited to explore creative arts and technology through our DSLR Camera Kit!

<https://remakelearningdays.org/event/southwesternpa/teen-choice-dslr-camera-kit-2/>

Make Together Lab

Thu, May 14, 4:30pm-6pm

Sat, May 16, 1:30pm-3pm

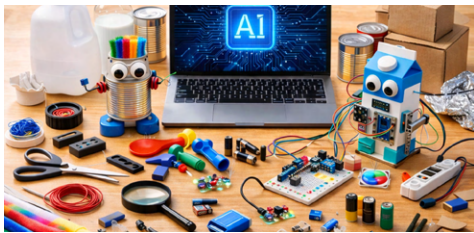

Hosted by: Penn Hills Library

For Ages 5-10

City: Pittsburgh

Penn Hills Library invites you to learn a variety of maker technologies from circuitry, screenprinting, to 3D art and more in our Make Together Lab where creativity and innovation rule!

<https://remakelearningdays.org/event/southwesternpa/make-together-lab/>

Family STEM Make-It Lab

Thu, May 14, 5pm-7pm
 Thu, May 21, 5pm-7pm
 Hosted by: Center of Life
 For Ages 5-18
 City: Pittsburgh

Center of Life program participants and their families will dive into hands-on STEM challenges where they design, build, and test DIY projects inspired by real manufacturing ideas!

<https://remakelearningdays.org/event/southwesternpa/family-stem-make-it-lab/>

Open House at The Mad Science Lab

Thu, May 14, 5:30pm-7:30pm
 Hosted by: Mad Science of Pittsburgh
 For Ages 5-13
 City: Pittsburgh

Join us for a special interactive session where we'll work together to solve the Great Mad Science Cookie Mystery!

<https://remakelearningdays.org/event/southwesternpa/open-house-at-the-mad-science-lab/>

Watersheds & Field Experience at Camp Guyasuta

Fri, May 15, 9am-2pm
 Hosted by: Fox Chapel Area School District
 For Ages 11-13
 City: Pittsburgh

A day at Camp Guyasuta is a perfect "living laboratory" for 4th graders. Since the camp is tucked into a deep valley with its own stream (Guyasuta Run) that feeds directly into the Allegheny River, it provides a literal downhill look at how watersheds function.

<https://remakelearningdays.org/event/southwesternpa/watersheds-field-experience-at-camp-guyasuta-fox-chapel/>

Take a Father to School Day: Engineering Together

Fri, May 15, 9:40am-11:30am
 Hosted by: Pittsburgh Public Schools Schiller 6-8
 For Ages 11-13
 City: Pittsburgh

This hands-on, interactive experience brings Schiller students and the important grown-ups in their lives together through creativity, collaboration, and problem solving, by inviting fathers, father figures, and caregivers to step into our STEAM learning environment.

<https://remakelearningdays.org/event/southwesternpa/take-a-father-to-school-day-engineering-together/>

My America, Our Flag

Fri, May 15, 10am-2pm
 Sat, May 16, 10am-2pm
 Sun, May 17, 10am-2pm
 Hosted by: Heinz History Center
 For All Ages
 City: Pittsburgh

Join us as we celebrate the nation's 250th anniversary this summer through art, history, and personal storytelling.

<https://remakelearningdays.org/event/southwesternpa/my-america-our-flag/>

South Park Explore Meadows

Fri, May 15, 5pm-7pm
 Hosted by: Allegheny County Park Rangers
 For All Ages
 City: South Park Township

This open-house style event invites families, students, and nature lovers of all ages to explore at their own pace while learning about the plants, insects, and wildlife that call the meadow home.

<https://remakelearningdays.org/event/southwesternpa/south-park-explore-meadows/>

Community Connections Day: Learning Led By Youth

Fri, May 15, 5pm-7pm
 Hosted by: Women and Girls Foundation
 For All Ages
 City: Pittsburgh

Bring the whole family to Braddock Hills School for a Remake Learning event! Local nonprofits and community partners will have interactive tables and activities for all ages—learn, play, and explore together!

<https://remakelearningdays.org/event/southwesternpa/community-connections-day-learning-led-by-youth/>

The Homewood Early Learning Hub & Family Center' REMAKE Learning Day with Kamin Science Center

Fri, May 15, 5pm-7:30pm
 Hosted by: The Homewood Early Learning HUB & Family Center
 For All Ages
 City: Pittsburgh

Join us for an unforgettable evening featuring the Kamin Science Center's new Mobile Planetarium!

<https://remakelearningdays.org/event/southwesternpa/the-homewood-early-learning-hub-family-center-remake-learning-day-with-kamin-science-center/>

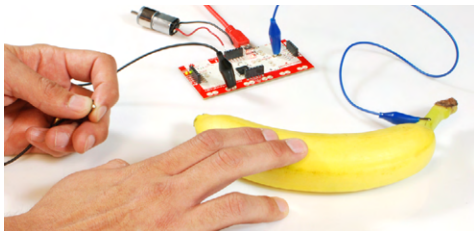

STEMNetX Remake Learning at USC

Sat, May 16, 9am-5pm
 Hosted by: STEMNetX- Chance to Change Lives
 For All Ages
 City: Pittsburgh

Students, families, and community members are invited to participate in hands-on STEM fun: Arduino projects, circuit building, coding, robotics, and maker activities—free and open to all ages!

<https://remakelearningdays.org/event/southwesternpa/stemnetx-remake-learning-at-usc/>

Makey Makey Makerpalooza

Sat, May 16, 10am-11am

Hosted by: Monroeville Public Library

For Ages 5-10

City: Monroeville

Work with a team and stretch your imagination to play a banana piano, control your video game character with Play-Doh, and much more using Makey Makey circuit clips!

<https://remakelearningdays.org/event/southwesternpa/makey-makey-makerpalooza/>

Family YES Day – a Sport Skills & Smoothies Soirée

Sat, May 16, 10am-12pm

Hosted by: Youth Enrichment Services

For All Ages

City: Pittsburgh

The whole family is invited to say YES to fitness fun involving sports and health at our Family YES Day - featuring sport skill development for all ages and a nutrition lesson ending in DIY smoothie stations!

<https://remakelearningdays.org/event/southwesternpa/family-yes-day-a-sport-skills-smoothies-soiree/>

Arboretum Explorers

Sat, May 16, 10am-1pm

Hosted by: Tree Pittsburgh

For All Ages

City: Pittsburgh

What is an arboretum? A living museum of trees and shrubs, where the exhibits - the plants - don't mind being touched. Come explore their quirks and habits, enjoy hands-on activities, and celebrate all they do for us!

<https://remakelearningdays.org/event/southwesternpa/arboretum-explorers/>

Future Explorers Day

Sat, May 16, 10am-5pm

Hosted by: Moonshot Museum

For Ages 5-18

City: Pittsburgh

Join us for Future Explorers Day, a free, high-energy community celebration where students build, design, explore, and meet real aerospace professionals while discovering exciting pathways into the future of space.

<https://remakelearningdays.org/event/southwesternpa/future-explorers-day/>

Magnet Madness

Sat, May 16, 11am-12pm

Hosted by: Scott Township Public Library

For Ages 5-13

City: Pittsburgh

Join us to learn about science through play... Come explore, create, and discover the magic of magnets with us!

<https://remakelearningdays.org/event/southwesternpa/magnet-madness/>

Byte-Sized Brilliance: Little Learners to Big Thinkers

Sat, May 16, 11am-2pm

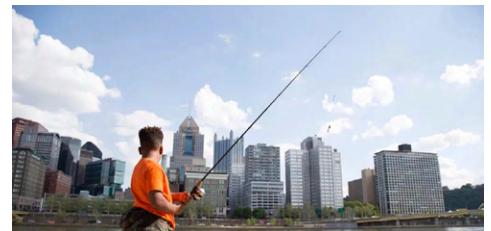

Hosted by: YWCA Greater Pittsburgh

For All Ages

City: Pittsburgh

This event provides a hands-on, age-appropriate variety of technology experiences for students to explore real-world applications of science, engineering, coding, and emerging technologies, while engaging alongside partner families, educators, and the community.

<https://remakelearningdays.org/event/southwesternpa/byte-sized-brilliance-little-learners-to-big-thinkers/>

Downtown Fishing

Sat, May 16, 12pm-2pm

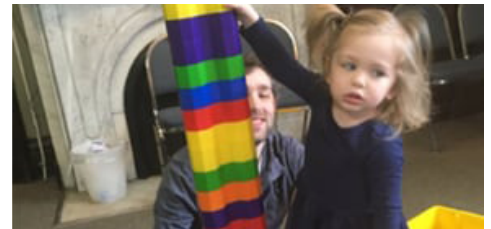

Hosted by: Venture Outdoors

For All Ages

City: Pittsburgh

This hands-on outdoor experience invites families to slow down, enjoy nature, and learn the fundamentals of fishing in an urban river setting.

<https://remakelearningdays.org/event/southwesternpa/downtown-fishing/>

Family Build Day

Sat, May 16, 12:30pm-2pm

Hosted by: Andrew Bayne Memorial Library

For All Ages

City: Bellevue

Explore, imagine and create together using a wide variety of bricks, blocks, and other hands-on building materials. Perfect for the whole family!

<https://remakelearningdays.org/event/southwesternpa/family-build-day/>

Future Roots

Sat, May 16, 1pm-4pm

Hosted by: Homewood-Brushton YMCA

For All Ages

City: Pittsburgh

Join us for our youth voice showcase... Alongside STEAM partners and with an outdoor concert stage for performing artists, indoor art gallery, and our Youth Maker Market - Future Roots is inspiring, uplifting and celebrating youth talent and creativity!

<https://remakelearningdays.org/event/southwesternpa/future-roots/>

Global Community Bike Ride 🌍 🚲

Sat, May 16, 1pm-4pm

Hosted by: World Affairs Council of PGH

For All Ages

City: Pittsburgh

Join us for a free community bike ride that brings neighbors together to explore global issues while enjoying the outdoors. Along the route, we'll make "stop-talk" breaks to hear from guest speakers, reflect on big ideas, and connect as globally minded community members.

<https://remakelearningdays.org/event/southwesternpa/global-community-bike-ride/>

L.L.Bean Archery Discovery

Maker

Sat, May 16, 2pm-3:30pm

Hosted by: L.L.Bean Outdoor Discovery Programs

For Ages 8-18

City: Allison Park

Our Archery Discovery Course is a fun and safe way to try this exciting sport. It's led by friendly instructors who will show you the basic skills and techniques you need to accurately shoot a bow.

<https://remakelearningdays.org/event/southwesternpa/l-l-bean-archery-discovery/>
